
Global action plan on the public health response to dementia 2017–2025: extension

The Seventy-eighth World Health Assembly, having considered the report by the Director-General,¹

Decided:

- (1) to extend the global action plan on the public health response to dementia 2017–2025 to 2031, in line with the intersectoral global action plan on epilepsy and other neurological disorders 2022–2031;
- (2) to request the Director-General to submit a progress report on the implementation of this decision to the Eightieth World Health Assembly in 2027 and the Eighty-second World Health Assembly in 2029, as part of the reporting on WHO's comprehensive mental health action plan 2013–2030.
